EDUCATION

B.Sc. (Research) in Economics and Finance	2023 - 2027	Shiv Nadar University, Greater Noida	8.83/10 CGPA	Through 6th Semester
---	-------------	--------------------------------------	--------------	----------------------

PROFESSIONAL EXPERIENCE

1. Investment Banking Intern - Resurgent India (Category I Merchant Banker), Gurugram (Jun. 2025 - Aug. 2025)

- Prepared detailed investment profiles for 15+ firms across fintech, renewable energy, B2B marketplaces, education finance, and consumer goods, supporting investment research and deal pipeline development.
- Built and maintained "Deal Tracker," a live database tracking 200+ Indian funding rounds and compiling structured profiles for 150+ funds (sector focus, stage, portfolio fit), using Tracxn for market mapping and deal sourcing.
- Identified and profiled 100+ new investors through cold email and cold call outreach.
- Benchmarked valuation multiples and competitive positioning across 15+ companies spanning fintech, renewable energy, B2B marketplaces, healthcare, and consumer goods by running structured peer comparisons that fed directly into Resurgent's deal-pipeline research.

ACADEMIC PROJECTS

1. NourishRx - Capstone Project

(Course: Entrepreneurial Finance, Shiv Nadar University)

- Co-built NourishRx, a simulated healthtech startup for condition-specific meal prep targeting India's 103M+ diabetic and 20M+ PCOD population, addressing a 78% two-week dropout rate from prescribed diet plans.
- Structured a INR 16L SAFE Note seed raise at a INR 1.5 Cr valuation cap and built a 3-year financial model projecting an 11.9x LTV/CAC ratio, 49.8% gross margin, Year 2 break-even, and a 7.4x conservative-case investor return.
- Delivered a 12-slide investor pitch deck followed by a live 15-minute pitch and 7-minute VC-style Q&A before faculty investors.

2. RemitRight - USD/INR Spread Intelligence Platform

(Course: FinTech, Shiv Nadar University)

- Built RemitRight, a USD/INR spread-intelligence platform applying z-score modelling on RBI DBIE data to generate GREEN/AMBER/RED signals against a 30-day rolling baseline.
- Built a structural risk calendar flagging month-end, FOMC, and pre-Diwali spread surges, and an all-in cost comparator incorporating correspondent bank charges typically omitted by remittance platforms.

POSITIONS OF RESPONSIBILITY

1. Secretary Of Senate - Student Council, Shiv Nadar University

(Mar. 2026 - Present)

- Co-head Senate's cross-committee coordination across 6+ committees to streamline policy discussions and implementation.
- Maintain official records and resolutions across 10 to 20 Senate and Executive Cabinet meetings to date, ensuring timely dissemination of reports and institutional communications to stakeholders and students.

2. Secretary Of Treasury - Student Council, Shiv Nadar University

(Mar. 2025 - Present)

- Managed 200+ budget approvals and reimbursements for 58 clubs and societies (INR 20-25L total allocation), resolving 100+ fee-related issues through coordination with university administration.
- Co-authored institutional financial governance policies covering treasury handover protocols, audit procedures, and fee-waiver reforms, and compiled them into a Treasury Policy Compendium to standardize financial accountability for future Treasury cohorts.

AWARDS & HONOURS

1. Student of the Year 2026 - All-Round Achievement

(Apr. 2026)

- Awarded by Chancellor Mr. Shikhar Malhotra and Vice Chancellor Dr. Ananya Mukherjee on SNU Day
- Awarded based on academic excellence, university representation, contributions to student life, sports, and overall achievements.

2. Dean's List Awardee

(Spring 2025 & Monsoon 2025)

- Ranked in the top 10% of the program at Shiv Nadar University, with an SGPA of 8.96 (Monsoon 2025) and 9.32 (Spring 2025).
